PROFILE

Munir Ahmed holds a Bachelor's degree in Physics, demonstrating a strong analytical and problem-solving foundation. With several years of experience as a Data Entry Operator, I have honed that attention to detail and accuracy in managing large datasets. Transitioning into the role of a Data Analyst, has successfully leveraged my technical skills to extract, clean, and analyze data for actionable insights. I'm proficient in various data analysis tools and software, including SQL and Excel. My ability to communicate complex data findings effectively has contributed to strategic decision-making processes. I'm dedicated to continuous learning and staying updated with the latest industry trends.

WORK EXPERIENCE

Masabeeh schools and colleges

2019 - 2021

Data analysis

- Successfully cleaned and processed large data set using SQL and excel to ensure data integrity and accuracy for analysis.
- Created interactive dashboards using Tableau to visualise key performance indicators, facilitating data-driven decisions.
- Execute SQL queries to extract and manipulate data from databases, contributing to efficient data retrieval process
